Precontractual Disclosure Statement to the Buyer

Part A | General Information about strata titles schemes

What you need to know

This information applies to a lot in a strata scheme or survey-strata scheme (scheme), which is subject to the *Strata Titles Act 1985* (the Act). Section 156 of the Act sets out that the seller of a strata lot or survey-strata lot (lot) must give the buyer certain information before the buyer signs the contract of sale.

Instruction for the seller

The seller must give the information incorporated in this document to a buyer before the buyer signs a contract for the sale and purchase of a lot in a scheme. Failure to do so may give the buyer the right to avoid the contract and/or delay the proposed settlement date.

Information for the buyer

The buyer should keep this document including any attachments in a safe place as it contains important information which might be needed at a later date.

It is strongly recommended that the buyer read all the information provided by the seller before signing the contract. The buyer should consider obtaining independent professional legal advice before signing the contract.

There are different rights, restrictions and obligations that apply in relation to a lot in a scheme than those that apply to a 'green title' lot. Those rights, restrictions and obligations can be found in the Act, the *Strata Titles (General) Regulations 2019* (regulations), scheme by-laws, the certificate of title, the strata / survey-strata plan for the lot and, if the scheme is a leasehold scheme, the strata lease for the lot. Your right to deal with the lot and to use the common property is restricted by these, as well as by any resolutions and decisions made by the strata company. You will not be able to build on the lot or make any alterations to (including removal of) a building on the lot without the approval of the strata company, except in certain circumstances.

As an owner of a lot, you will also have a share in any common property in the scheme. You will be a member of the strata company, along with all of the other lot owners, and have a right to participate in managing the scheme.

Each lot owner has to abide by the rules of the strata company, known as by-laws. By-laws can be different for each strata scheme and you should understand which by-laws apply to your scheme. The seller must give you the current by-laws before you sign the contract for sale. A strata company can make, amend or repeal by-laws by voting on them, and registering them with the Registrar of Titles at Landgate within 3 months.

As the owner of a lot, you will be liable to pay a strata levy or contribution to the strata company for expenses including for maintenance, repair and insurance of the common property unless the lot is in a scheme of 2 to 5 lots which may be exempt from these requirements. Be aware that if the unpaid amounts for the lot are not paid by the seller before you complete the purchase (settle), you as the new owner will have to pay the strata company these unpaid amounts.

As part of this disclosure you must receive the strata or survey-strata plan (the plan) which includes the lot you are proposing to buy. This plan will show all of the lots and the common property in the scheme. The common property is all the land within the scheme boundary that is not a lot. In a strata plan each lot is clearly identified, but the common property is not; it is everything that is not a lot. In comparison, in a survey-strata plan common property areas are clearly identified as common property. It is important to understand what is your lot, as you will be responsible for repairing and maintaining it, whereas the strata company will generally be responsible for the common property, unless there are by-laws which set out something different.

A buyer may consider seeking more information about the lot, the strata company and the strata / survey-strata scheme by asking the seller to provide it, or by making an application to the strata company for more information under section 107 of the Act.

The buyer should consider reading Landgate's publication *A Guide to Strata Titles* as this provides extra information about schemes.

Buyer's avoidance and other rights

Avoidance for failure to give precontractual information to the buyer

The buyer's right to avoid the contract for precontractual information is as follows:

Avoidance rights for notifiable variations

After the buyer has signed the contract, it is possible a particular type of event known as a type 1 or type 2 notifiable variation may occur. If this happens, the seller must provide written notice of the variation to the buyer before the proposed settlement date.

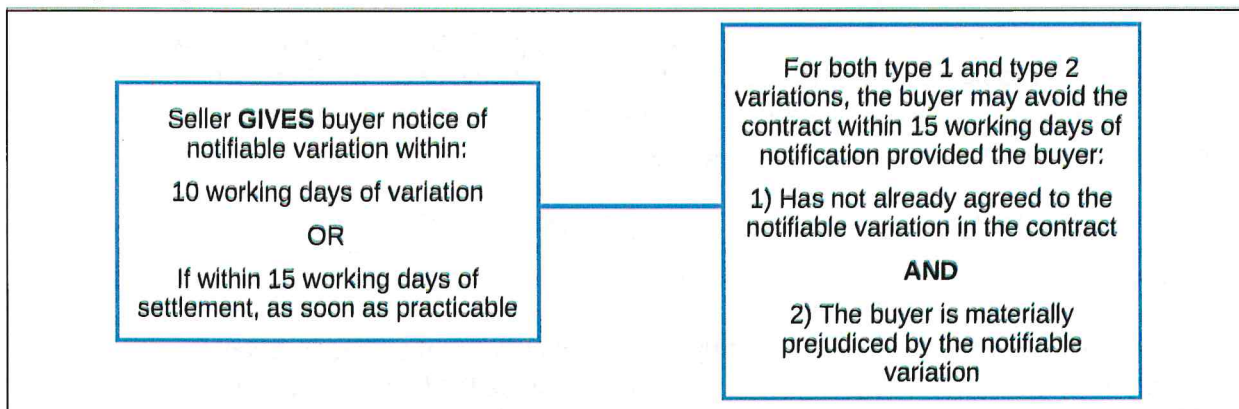

Type 1 and Type 2 notifiable variations are as follows:

Type 1 Notifiable Variation	Type 2 Notifiable Variation
<ul style="list-style-type: none"> • The area or size of the lot/proposed lot is reduced by 5% or more from the area or size notified to the buyer before the buyer entered into the contract. • The proportion that the unit entitlement, or a reasonable estimate of the unit entitlement of the lot bears to the sum of the unit entitlements of all the lots is increased/decreased by 5% or more in comparison to that which was notified to the buyer before the buyer entered into the contract. • Anything relating to a proposal for the termination of the strata titles scheme is served on the seller by the strata company. • Any other event classified by the regulations as a type 1 notifiable variation. 	<ul style="list-style-type: none"> • The current/proposed scheme plan or amendment of the scheme plan for the scheme is modified in a way that affects the lot or the common property (that is not a type 1 notifiable variation). • The current/proposed schedule of unit entitlements or amendment of the schedule of unit entitlements for the scheme is modified in a way that affects the lot (that is not a type 1 variation). • The strata company or a scheme developer- <ul style="list-style-type: none"> (i) enters into a contract for the provision of services or amenities to the strata company or to members of the strata company or a contract that is otherwise likely to affect the rights of the buyer; OR (ii) varies an existing contract of that kind in a way that is likely to affect the rights of the buyer • The current/proposed scheme by-laws are modified. • A lease, licence, right or privilege over the common property in the strata titles scheme is granted or varied. • Any other event classified by the regulations as a type 2 notifiable variation.

See section 161 and 162 of the Act for further details.

Regulation 106 describes when certain notifiable variations are deemed to have occurred.

The buyer's right to avoid the contract for notifiable variations is as follows:

See section 163 of the Act for special protections which apply if the lot has not yet been created by the registration of the scheme or an amendment of the scheme - that is, an 'off the plan' sale.

Buyer's right to postpone settlement

The buyer has a right to postpone settlement date of the contract for the sale and purchase of the lot, by providing written notice to the seller, if the seller has not complied with their obligation to provide pre-contractual information or particulars of a notifiable variation to the buyer. The buyer may postpone settlement date by no more than 15 working days after the latest date that the seller complies with the relevant disclosure requirement.

Disputes about avoidance rights to be heard in the State Administrative Tribunal

If the buyer or seller has a dispute about a right to avoid or whether a seller has provided the notifiable information / notifiable variations as required and within the time required, the buyer and or seller may apply to the State Administrative Tribunal for orders to resolve the dispute.

[2. Deleted by No. 30 of 2018 s. 88.]

3. Power of strata company regarding submeters

- (1) If the supply of gas or electricity to a lot is regulated by means of a submeter, the strata company may require the owner or occupier of the lot to pay the strata company by way of security for the payment of charges arising through the submeter an amount not exceeding \$200 and, if any amount so paid is applied by the strata company under sub-by-law (3), to pay such further amount or amounts by way of such security as may be necessary to maintain the amount of the security as, subject to this sub-by-law, the strata company may require.
- (2) The strata company must lodge every sum received under this by-law to the credit of an interest-bearing ADI account and all interest accruing in respect of amounts so received must, subject to this by-law, be held on trust for the owner or occupier who made the payment.
- (3) If the owner or occupier of a lot in respect of which a submeter is used for the supply of gas or electricity refuses or fails to pay any charges due for the supply of gas or electricity to that lot, the strata company may apply in payment of those charges all, or such part as is necessary, of any amount paid to the strata company by that owner or occupier under this by-law, including any interest that may have accrued in respect of that amount.
- (4) If a person who has paid an amount under this by-law to a strata company satisfies the strata company that the person is no longer the owner or occupier of a lot and that the strata company no longer has any liability or contingent liability for the supply of gas or electricity to that lot during the period when that person was an owner or occupier of the lot, the strata company must refund to that person the amount then held on the person's behalf under this by-law.

[Clause 3 amended by No. 26 of 1999 s. 104; No. 74 of 2003 s. 112(16); No. 30 of 2018 s. 89.]

- (1) The powers and duties of the strata company must, subject to any restriction imposed or direction given at a general meeting, be exercised and performed by the council of the strata company and a meeting of the council at which a quorum is present is competent to exercise all or any of the authorities, functions or powers of the council.
- (2) Until the first annual general meeting of the strata company, the owners of all the lots constitute the council.

- (3) If there are not more than 3 lots in the scheme, the council consists of all of the owners of the lots and, if there are more than 3 lots in the scheme, the council consists of not less than 3 nor more than 7 of the owners of the lots, as is determined by the strata company.
- (4) If there are more than 3 lots in the scheme, the members of the council must be elected at each annual general meeting of the strata company or, if the number of lots in the scheme increases to more than 3, at an extraordinary general meeting convened for the purpose.
- (6) If there are co-owners of a lot, 1 only of the co-owners is eligible to be, or to be elected to be, a member of the council and the co-owner who is so eligible must be nominated by the co-owners, but, if the co-owners fail to agree on a nominee, the co-owner who owns the largest share of the lot is the nominee or, if there is no co-owner who owns the largest share of the lot, the co-owner whose name appears first in the certificate of title for the lot is the nominee.
- (8) Except if the council consists of all the owners of lots in the scheme, the strata company may by special resolution remove any member of the council before the expiration of the member's term of office.
- (9) A member of the council vacates office as a member of the council –
- if the member dies or ceases to be an owner or co-owner of a lot; or

 - at the conclusion of an annual general meeting of the strata company at which an election of members of the council takes place and at which the member is not elected or re-elected; or
 - in a case where the member is a member of the council by reason of there being not more than 3 owners of lots in the scheme, on an election of members of the council (as a result of there being an increase in the number of owners to more than 3) at which the member is not elected; or
 - if the member is removed from office under sub-by-law (8); or
 - if the Tribunal orders that the member's appointment is revoked and the member is removed from office.
- (10) The remaining members of the council may appoint a person eligible for election to the council to fill a vacancy in the office of a member of the council, other than a vacancy arising under sub-by-law (9)(c) or (d), and any person so appointed holds office, subject to this by-law, for the balance of the predecessor's term of office.
- Note for this sub-by-law: By-law 6(3A) provides for the filling of vacancies in the offices of chairperson, secretary and treasurer.
- (11) Except if 1 person is the owner of all of the lots in the scheme, a quorum of the council is 2 if the council consists of 3 or 4 members; 3, if it consists of 5 or 6 members; and 4, if it consists of 7 members.
- (12) The continuing members of the council may act even if there is a vacancy in the council, but so long as the number of members is reduced below the number fixed by these by-laws as the quorum of the council, the continuing members or member of the council may act for the purpose of increasing the number of members of the council or convening a general meeting of the strata company, but for no other purpose.
- (13) All acts done in good faith by the council, even if it is afterwards discovered that there was some defect in the appointment or continuance in office of any member of the council, are as valid as if that member had been duly appointed or had duly continued in office.
